DataStick USB 2.0 Pro2 Prints

The Centon DataStick Pro2 Prints brings personality to portable storage. Part of the same reliable Pro2 family — with a cap that snaps securely onto the back of the drive and a built-in keychain loop for easy portability — Pro2 Prints swaps solid colors for a curated collection of eye-catching, fashion-driven patterns, from bold geometrics to playful themes. It's an easy way to add some personality to your tech, make your drive instantly recognizable, or find the perfect gift for a friend or coworker. Dependable, plug-and-play storage backed by Centon's manufacturer warranty.

FEATURES

01 PRINT DESIGNS

A curated collection of eye-catching, fashion-driven patterns — an easy way to add personality to your tech and make your drive instantly recognizable.

02 UNIVERSAL COMPATIBILITY

Plug in and go on Windows, macOS, Linux and Chrome OS with no drivers to install; your files move between systems with ease.

03 SECURE CAP DESIGN

A cap that fits securely onto the back of the drive keeps the connector protected and the cap from ever getting lost, with a built-in keychain feature for easy portability.

ABOUT THE DATASTICK SERIES

Storage that is ready when you are. Centon DataStick USB drives come formatted and ready to use: plug one in and start moving files. They work with the laptops, desktops and other devices people use every day, with no drivers and no setup. More room in your pocket, at a price that makes sense, from a memory company that has been at it since 1978.
