DataStick USB 3.2 Dual

USB Flash Drive

The Centon DataStick Dual is built for life across multiple devices, giving you both a USB Type-A and USB Type-C connector in one sleek, capless drive. Move files between your phone, tablet, laptop, and desktop without ever needing an adapter. Its slim, capless slider design keeps both connectors protected when not in use, making it the most versatile drive in the DataStick lineup for anyone juggling multiple devices. Dependable, plug-and-play storage backed by Centon's manufacturer warranty.

FEATURES

01 DUAL CONNECTIVITY

Dual USB Type-A and USB Type-C connectors in a single drive — no adapter needed to connect to phones, tablets, laptops, and desktops.

02 UNIVERSAL COMPATIBILITY

Plug in and go on Windows, macOS, Linux and Chrome OS with no drivers to install; your files move between systems with ease.

03 CAPLESS DESIGN

A capless slider design protects both connectors without ever needing a cap to lose.

ABOUT THE DATASTICK SERIES

Storage that's ready when you are. Centon DataStick USB drives come formatted and ready to use — plug one in and start moving files. They work with the laptops, desktops, and other devices people use every day. No drivers, no setup, no compatibility headaches. Just more space in your pocket, at a price that makes sense.
