

USB 3.2 · TYPE-A · 8GB-512GB

# DataStick USB 3.2 Sport

USB Flash Drive

The Centon DataStick Sport is built for professionals, students, and everyday users who need storage that can keep up with an active, on-the-go lifestyle. Its flexible silicone housing is water-resistant and shock-resistant, standing up to drops, spills, and daily wear, with a molded-in loop for easy attachment to a keychain, backpack, or bag. Whether you're at the office, in class, traveling, or just want a drive that can handle the occasional bump or splash, the Sport keeps your data protected wherever life takes it. It's dependable, plug-and-play storage backed by Centon's manufacturer warranty.

## FEATURES

### 01 WEATHER-RESISTANT

Sealed against rain, heat, and humidity, the DataStick Sport keeps your files safe from the elements wherever you go.

### 02 UNIVERSAL COMPATIBILITY

Plug in and go on Windows, macOS, Linux and Chrome OS with no drivers to install; your files move between systems with ease.

### 03 RUGGED & DEPENDABLE

A durable silicone casing and leakproof cap shield the drive from water, shock, dust and impacts, keeping your digital assets protected daily.

## ABOUT THE DATASTICK SERIES

Storage that's ready when you are. Centon DataStick USB drives come formatted and ready to use — plug one in and start moving files. They work with the laptops, desktops, and other devices people use every day. No drivers, no setup, no compatibility headaches. Just more space in your pocket, at a price that makes sense.
