32GB–512GB

Memory Power

The Centon Memory Power microSD card is a dependable, capacity-scalable storage solution built for everyday use — from expanding storage on phones and tablets to capturing photos, video, and files on cameras, drones, and other devices. Its compact, industry-standard design drops into virtually any microSD-compatible device, delivering reliable performance you can count on. Backed by Centon's manufacturer warranty, Memory Power gives you affordable, trustworthy storage that scales with your needs.
