

PORTABLE SSD · TYPE-A · 1TB-2TB

# Memory Power Portable SSD

Solid State Drives

Take your files anywhere with the Centon Dash portable SSD. Fast solid-state storage moves large photo libraries, videos and backups in seconds instead of minutes. Plug it into any Windows or Mac computer with the included USB-C or USB-A connection and start working, no software required. Compact, light and built with no moving parts, it slips into a pocket or laptop bag and handles everyday travel.

## FEATURES

### 01 BLAZING SPEED

Move large photo, video and music files in seconds.

### 02 USB-C AND USB-A

Both connections included, so it works with new and older computers.

### 03 PLUG AND PLAY

Works with Windows and macOS right out of the box, no software needed.

ABOUT THE MEMORY POWER SERIES

Memory and storage that's ready when you are. The Centon Memory Power Series comes tested and ready to install, built for the laptops, desktops, and devices most people use every day. No guesswork, no compatibility headaches. Just more speed and more space, at a price that makes sense.
