SATA III

Memory Power

The Centon Memory Power SATA III SSD offers a reliable upgrade from a traditional hard drive. Without moving parts, systems start faster, run quieter, and handle bumps and vibration better than with a spinning hard drive. It is designed for everyday computing, gaming, and business use. This SSD provides a dependable, drop-in upgrade for your existing system.

FASTER THAN HDD

NO MOVING PARTS

RELIABLE EVERYDAY STORAGE

5-YEAR WARRANTY

FEATURES

01 FASTER THAN HDD

Solid-state performance delivers faster boot times and file access than traditional spinning hard drives.

02 NO MOVING PARTS

Runs quieter and handles bumps and vibration better than a spinning hard drive.

03 RELIABLE EVERYDAY STORAGE

Designed for everyday computing, gaming, and business use, ensuring consistent performance and durability

ABOUT THE MEMORY POWER SERIES

Memory and storage that is ready when you are. The Centon Memory Power Series is built for the laptops, desktops, phones and cameras people rely on every day, with the speed and room most people need, at a price that makes sense, from a memory company that has been at it since 1978.
